

Nicolás Ruedi /

Senior Associate

Practice Area:
Insurance Law

nicolas.ruedi@ocl.cl

Nicolás's specialty is insurance law, in particular counseling insurance companies. He has ample experience in the review of contracts and insurance policies, both domestic and foreign, to detect any weaknesses and risks. He also advises insured on how to improve their coverage when they quote the renewal of their property, liability, maritime transport, credit, construction, personal and other insurance policies on the insurance market. He has vast experience leading private insurance tenders regionally and nationally, always in the aim of obtaining the best contract possible for the insured, not only in terms of premiums but also coverage and indemnity limits.
